# Word Processors don't get any easier than Bank Street Writer Plus.

Whether you're dashing off a letter to your cousin, writing a memo to a business associate, or putting the finishing touches on a term paper, Bank Street Writer Plus makes your writing task incredibly easy.

## You'll be writing in no time at all.

You don't need to learn dozens of complicated commands or pore over a tedious manual. Simply turn on your computer, boot up the program and the on-screen prompts will guide you quickly to a perfect manuscript. It's so easy, everyone in the family will want to use it.

## Don't let its simplicity fool you.

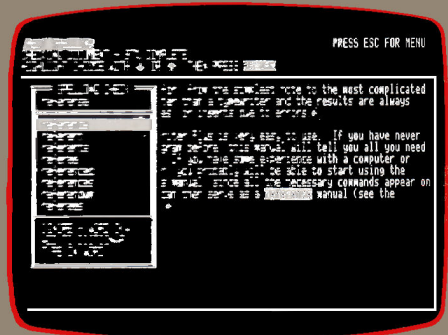

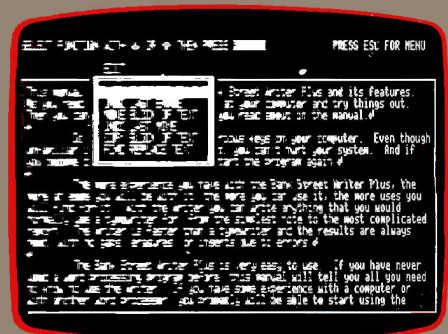

Bank Street Writer Plus is a sophisticated word processor offering a host of features once found only in much more expensive programs.

## EASY FOR EVERYONE

- Fully prompted every step of the way.
- Includes on-disk Tutorial, and comprehensive reference manual.
- Pull-down menus make selecting functions fast and easy.
- Offers standard editing features (copy, erase, move, etc.); also supports boldface, underlining, and other printer features.
- Works with keyboard or mouse.
- Offers "Writer's" options such as line numbering for easy proofreading.
- Optional 40 or 80 column display

## PLUS ADVANCED FEATURES

- Includes Spelling Corrector and Thesaurus.
- Create single-key commands to "skip over" often-used menus and prompts.
- Set up function keys to make your own multi-step commands.
- Create custom dictionaries.
- New ProDOS version - supports 3.5" and hard disks
