- **Sub Hunt** — Descend to the murky depths in this action-packed adventure! Pilot your submarine and avoid depth charges from stalking ships while destroying the marauding eels and octopii.
- **Sea Battle** — It's a direct hit! You've sunk the enemy battleship! Go for the gusto in this battle for control of the high seas! Position your battleships and plot the coordinates to blast your enemy out of the water!
- **Depth Charge** — Destroy the Wolfpack! Assume command of the massive destroyer Atlantis! Sweep the seas looking for submarines and drop your depth charges to send the subs to their final destination; the bottom of the sea!
- **Sea Raider** — It's a battle of the Super Powers! Pilot your craft through the choppy waters careful to avoid enemy ships that threaten to destroy your craft!

Programmers, school teachers, students, and midnight hackers we would like to publish your library of products!!! Prizes for best submissions, in addition to general compensation to suit your situation. Write or send product to:
