I'm looking for my toothbrush,  
It's lost again today.  
Did I lose it somewhere in the house,  
Or did it run away?

I'm looking for my toothbrush,  
I'm looking everywhere.  
Could it be inside my pocket?  
Did it crawl beneath the chair?

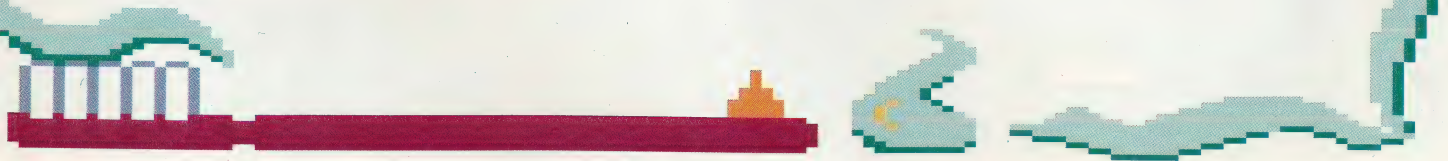

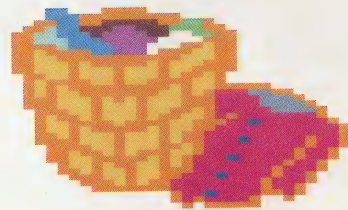

I'm looking for my toothbrush,  
So I can brush my teeth.  
I turned the basket upside down.  
It wasn't underneath.

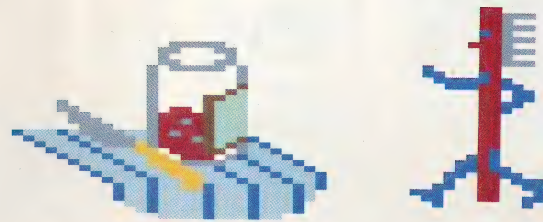

I'm looking for my toothbrush,  
I'm looking near and far.  
When I made a jelly sandwich,  
Did it jump into the jar?

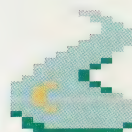

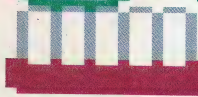

I'm looking for my toothbrush,  
I'm looking all around.  
Did I leave it near the birthday cake?  
Did it run out with the hound?

Did I use it as a paintbrush  
When I made my wagon blue?  
Did it hop into my closet,  
And hide inside my shoe?

I'm looking for my toothbrush,  
I'm looking every place.  
Did it become a rocket,  
And fly up into space?

I'm looking for my toothbrush.  
Where did my toothbrush go?  
Did I take it to the sandbox,  
And use it for a hoe?

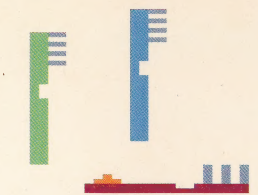

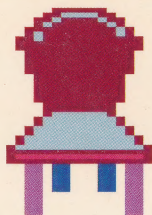

I'm sure I'll find my toothbrush,  
Just let me stop and think.  
Oh yes, I see my toothbrush,  
It's right beside the sink!
