## COOKBOOK RECIPE DISKS

### California Beef

These light and lean recipes were chosen from the cuisines of many countries around the world. Now, find a new twist on some all-time American beef favorites. The California-style means easy preparation, low calories, and delightful innovations that will brighten your table. Choose from Tangy Beef Salad, Creole Meat-Balls, Chinese New Year Beef, Hot & Sweet Ribs, Chunky Beef Chili, and much more! Sponsored by the California Beef Council.

### Breads and Spreads

These recipes take that American staple, the loaf of bread, to new heights! Everyone will be on time for dinner when you serve home made Sourdough Rolls, Cheddar Cheese Bread, or Apple Biscuits. You can spice up your parties with Mini Calzones, Cheese and Bacon Spread, and deep fried Camembert Wedges. Or satisfy your sweet tooth with Orange Cinnamon Bread, Strawberry Jam, and Blueberry Coffee Cake. They're all here, along with many other old favorites and new treats!

### Kids Cookery

Kids love to cook, and these recipes will make it fun and easy for them to turn out delicious snacks and desserts — even main courses! The fully detailed, step-by-step instructions were written with a child in mind. Kids can create a complete menu for a well-balanced meal by combining main dishes such as Tuna-Veggie Casserole or Lemon Baked Chicken, with side dishes like Carrots in Honey Sauce or Scalloped Potatoes.

### Appetizers

Appetizers are the key to elegant dining. And what could tempt the palate more than these delicious treats! Choose from fun finger foods like Shrimp Mini-Quiches, Cheese and Vegetable Puff Pies, and Sesame Chicken, or divine specialties like Chili con Queso, Oysters Rockefeller, and Stuffed Pasta Shells. They make great lunches too!

### Soups and Salads

Whether you need to cool off the kitchen on a hot summer day, or warm your bones on a cold winter night, soups and salads fill the bill! You'll find tremendous variety in these recipes, from exotic dishes like Papaya Kiwi Salad, Egg Drop Soup, and Chicken Madras, to favorites like Waldorf Salad, Lobster Salad, and Cold Cucumber Soup.

### Food Processor Cooking

Make better use of your food processor's power and versatility with these delicious recipes. Now you can handle those elegant dishes you've always wanted to make—souffles, pates, and frappes and old favorites like Cole Slaw, Vegetable Soup, Hush Puppies, and Turkey Stuffing. All a breeze with your handy food processor and these quick and easy instructions.

### Special Diet Recipes

This disk answers the question "How can I eat Barbequed Shrimp, Eggplant Parmigiana, Spice Cake, and Pumpkin Bread, and still be following my doctor's orders?" Whether your special diet is wheatless, milkless, egg-free, low cholesterol, or low sugar, you'll find tempting recipes for all occasions.

Make elegant cakes that are wheat-free, tasty French Dressing that is low in sugar, and delicious mayonnaise without eggs. All things are possible with the right combination of ingredients, and this treasure-house of easy recipes.

### Desserts

This disk is our best-seller, and you'll know why when you taste your first bite of Janet's Southern Pecan Pie, Heavenly Brownies, or Strawberry Shortcake. Many of these divine concoctions are deceptively simple to prepare, such as the No-Bake Cheese Cake, or easy Coconut Pie. You'll recognize some childhood favorites, as well as new creations like Raisin Cinnamon Donuts or Tequila Surprise. Whether you're a choc-aholic, cream pie fanatic, or cookie freak, you'll find something here to satisfy your sweet tooth!

### Holiday Meals

Holiday meals take planning, and here's all the help you'll need. If you're looking for new variations on traditional favorites, or if you've always wanted to try the holiday dishes of other cultures, this disk is full of good ideas. More than sixty holidays are included! You'll find everything from Thanksgiving Ham, St. Patrick's Corned Beef, Christmas Kitchen Gingerbread, and Passover Lamb, to recipes for more casual festivities, like Superbowl Popcorn and Tax Day Mulled Wine.

### Microwave Cooking

Learn simpler, quicker ways to whip up the dishes you make all the time, like hot cocoa, brownies, corn-on-the-cob, omelets, and roasts. And discover wonderful new dishes like Norwegian Meatballs, Roast Duckling in Wine, Bavarian Baked Potatoes, and Frosted Daquiri Pie. These step-by-step instructions and your microwave make it all possible in less than half the usual time.

### Daily Breads

These recipes were taken from around the world to bring the mouth-watering aroma of fresh-baked bread to your home. Russian Black Bread, Greek Olive Bread, Pita Pocket Bread, Brioche, and Yorkshire Pudding-- they're all healthful, delicious, and easy to prepare. You'll learn to make Pizza Crust like a pro, Biscuits lighter than air, and English Muffins that are better than anything you can buy at the store. And don't forget the Banana Bread and Blueberry Muffins...Grandma never made it so good!

### Micro Cookbook Sampler

Here they are-- the best of the best! Lasagne Supreme, Hearty Beef Barley Soup, Duck L'Orange, Scallops Creole, Heavenly Brownies, and Raspberry Cheesecake-- these are just a sampling of the winning recipes that have made Micro Cookbook an all-time best-seller. The wide assortment of dishes in this special collection will bring new excitement to your table and make your time in the kitchen well-spent. Just serve, sit back, and take in the compliments!

### Recipe Express

The Recipe Express Micro Cookbook Utility package provides additional power for the Cookbook by making use of larger RAM memory, multiple disk drives, hard disks, operating system enhancements, and other system enhancements, such as mouse or RS-232 serial communications. It enables you to rename recipes, selectively transfer recipes between disks/files, and archive recipes to your printer or communications link. A must-have for the serious cook interested in maximizing their recipe resources. Available only for IBM PC and 100% compatibles.
