December 1994

Elections scheduled for December 8!

*Time
to
Vote!*

Elections will be held at our next meeting on Thursday, December 8, 1994. The following nominations were made during the November meeting. For those offices with no nomination listed, nominations are needed. Come to the meeting to make your voice heard. Your slate of officers will determine the future of the club. Nominations will be taken from the floor for each position before voting takes place. You are welcome to come and volunteer to be a nominee if there is a position that interests you.

1995 Candidates:

President	<u>Nick Shestople</u>
Vice President	_____
Secretary (Newsletter Editor)	_____
Treasurer	<u>Nick Miller</u>
Tech Rep	<u>Ingo Richarz</u>
Education Advisor	<u>Wes Sisson</u>
Publicity*	_____
Mac SIG Chair	<u>Hank Lavagnini</u>
Mac SIG Co-Chair	<u>Rick Johnson</u>
Apple II SIG Chair	_____
Apple II SIG Co-Chair	_____

**Note: The main requirement here is to submit two meeting announcements per month to the Heidelberg Herald Post.— unless you choose to do more. It could make a big difference in our club attendance and membership — for a minimum contribution of time and effort. So think about volunteering yourself for nomination.*

The New Identity Crisis: Am I a Mac or a Clone?

Power Mac Clones

The big news at the November meeting was that Apple has completely opened the licensing of the Mac operating system — which opens the door for PowerMac clones. IBM, Toshiba, Zenith Bull and others are going to make PowerPCs that run on Mac Operating systems. Our hope is that the competition will only make everything cheaper. *The news was provided by Hank Lavagnini courtesy of PowerFlash, an Electronic Newsletter.*

November Minutes

A small group gathered for the November meeting.

- Nominations were taken for the December elections (see front page).
- Hank Lavagnini brought important Apple news (see front).
- Other news — work is under way on System 8.
- There was some discussion on what the club should purchase with the funds we have. Due to the small number, no vote was taken.
- Thanks were given to Rick Johnson who took on the task of xeroxing and mailing the November newsletter.

What does it take to be a Newsletter Editor?

As you can tell from the variety of lengths of newsletters, this job allows a lot of flexibility based on your schedule. If you can only manage a two pager, that's fine. The requirements are to publish the meeting minutes and the treasurer's report. The newsletter may or may not be used for passing on computer news — since that is the main purpose of the meetings.

I can't continue as editor due to my business/travel commitments. But I recommend it highly for anyone who wants to learn desktop publishing. It gives you the extra incentive of deadlines that just might be what you need to force yourself to learn Pagemaker. I've learned a lot and had fun in the process!! Ed.
