SPACE STATION A-1

A K-TEK™ product for APPLE II™ computer systems

Your society is perishing. Your people are crying for help. Vicious alien forces have sprayed all life with deadly germs. Slowly the planet deteriorates as these aliens now turn to you. Protected within an orbiting space station, you must destroy them first. Their germs are useless against you — but their ships are not. Man the defender ship and take revenge! You are a patriot to the human race — never surrender, die first!

**TO LOAD:**

Insert the game diskette into disk drive and close door. Turn on the computer and follow the instructions according to your computer manual. Plug the joystick into the Apple game controller socket. Push FIREBUTTON to start game.

TO PLAY:

You are now sitting behind the controls of a large defender ship located within an orbiting space station. Aliens have contaminated your home planet with germs. These same germs cannot penetrate the space station; however, the alien space ships can enter the space station. You must destroy their ships before they reach your defender ship.

Use JOYSTICK to move your ship up, down or sideways.

Use FIREBUTTON to shoot either up or down.

Game offers five levels of play. Receive an extra ship for each level passed.

REQUIRES: Apple II™ Computer, Disk Drive and Joystick.

WARNING:

Unauthorized reproduction of this recording is prohibited by Federal Law and subject to criminal prosecution.
